

Centre d'Accueil de Carrefour

As explained in the letter of Apologies, we've been strategically setting up a plan to assist children living in this facility. Our Team has reported since the assassination of the late President of Haiti, the facility has been struggling to keep some basic necessities up to par. Such as hygienical products, medicine, cooking essentials.

We've decided to reallocate the funds & goods we've collected back in September 2021 to the following tasks:

What will be provisioned for hygiene:

1. Savon toilette / Lessive
2. Pâte Dentifrice
3. Déodorant
4. Papier hygiénique 🧻
5. Fab
6. Chlorox
7. Brosse à dent

What will be provisioned for food:

1. Saumons
2. Pâte de tomate
3. Beurre
4. Maggi
5. Épices
6. Rice

What will be provisioned for Medicine:

1. Carbamazépine pour Crise Épileptique

Project Dairy:

- They have a reservoir with 5K gallons capacity we will be providing 1/2-month worth of water
- They also have a well that run on propane only to prevent any kids falling into the well

(We will be fixing the motor and provide 1/2-month worth of Propane.)
